Weather Forecast.

Local forecast for thirty-six hours ending at 8 P. M. Tuesday: Fair; slightly warmer;

ing Mary Wertheimer's Infant.

Peter Schultz was placed on trial before

baby having a contagious disease. The sand left her parenst' home last February and The Republican managers are preparing a surgeon, or at least by a butcher.

on the party without the sid of doctors of medicine.

The authorities at the Long Island College Hospital refuse to give any information with regard to the visit of Mrs. McDonnell or even to tell the name of the doctor who refused her medicine.

Omnilssioner Griffin says all the officials noted in accordance with their rules, and that there is nothing to investigate.

On the night of the murder the men went of Miss Werthelmer and secured the child.

On the night of the murder the men went of Miss Werthelmer and the table to Miss Werthelmer and secured the child.

On the night of the murder the men went of Miss Werthelmer and the went of Miss Werthelmer and the table to Miss Werthelmer and the child.

As they walked along the railroad tracks the little one cried, and Schultz says Hans tried to stifle its cries by chaking it. Failing in this he took the child's coat and smothered in this he took the child's coat and smothered in this he took the child to Newtown Orieck.

After reaching a spot where they thought they would not be discovered it is alleged. Schultz held the child's head under water. Both men thought the child was used, and they tied a rope around itspacek, to which a stone was fastened, and threw the little body in the water.

teen and filteen years old, were te-day committed to the care of the Brooklyn Children's Society. They went to the Fulton street station last evening and told a pitiful story.

The boys said they had no home and no nichids; that their parents died in Germany evera year ago and they were sent to this condity; that a missionary took charge or them and they were sent to this where they it und the work too hard and ran where they it und the work too hard and ran as as.

Attention of the affair and betechies and threw the little body in the much the child and send again.

They finally dumped the body in the much did covered it up. Next day the neighbors missed the child and became suspicious. Hads and Schultz confessed.

## THEY WILL CELEBRATE TO-NIGHT

Hallowe'en as It Is Observed by the Boys and Girls.

fires to-night to ward off the evil spirits For some time the woman has been suffer- whose season was supposed by the ancient ing from melancholia, and last evening she pagans to begin Nov. 1 with a high carnival

and England, but not with the Druidish

In fact, under the nineteenth century dis-pensation Hallowe'en observers are now of a character to conjure up good spirits rather than to lay bad ones, and the lads and lasses of all the Christian world play all sorts of games to determine the names of their respans to determine the names of their respective future husbands and wives, and it is looked upon as a specially proptious night for balls, parties, social gatherings, cases and ale, nuts and eider and love-making.

As for Young America, he chalks the doors of his neighborhood, ties cabbage stalks to the door-knobs, carries away front gates, attaches "tick-tacks" to the windows of tinid people and makes a general all-round nutsance of himself.

## WORD-PICTURE OF DEATH.

Bishop Fowler Thrilled and Shocked

blood in its veins and no eyes in the sockets of the skull." was so feverishly eloquent and realistic that the whole congregation was convulsed. Strong men were shaken with emotion and weak women still in widows' weeds or mourning some dear one departed, broke down and fied from the church.

Members of St. James's are unable to talk caimly about the sensation to-day, and there is every variety of feeling expressed from thrilled admiration for the publit orator to deepest indignation against him for so harrowing up the wounded hearts of his hearers.
